Description of fiscal impact

Pursuant to §19-20-621, MCA, the supplemental employer contribution rate made by the Montana University System (MUS) employers must increase from 4.72% to 14.21% in order to amortize their share of TRS unfunded liabilities following legislation to close TRS to new entrants in the university system. By law, MUS' obligation to TRS must be fully amortized by July 1, 2033. If this bill is passed and approved, the period to amortize the overall TRS unfunded liabilities will decrease from 21 to 19 years.

FISCAL ANALYSIS**Assumptions****Teachers Retirement Board**

1. The university system supplemental contribution to TRS is based on the total compensations of employees participating in the Montana University System Retirement Program (MUS-RP).
2. Newly hired faculty and certain professional staff of the MUS must join the MUS-RP. When MUS staff members in TRS retire, they are replaced by staff that are required to enroll in the MUS-RP.
3. The MUS Current Unrestricted Fund (CUF) salary data is from the Montana Budgeting and Reporting System (IBARS). The balance of MUS salaries is paid from tuition and other sources.
4. Approximately 95% of MUS-RP academic salaries are funded by the CUF. The MUS CUF is funded at 48% state general fund with the remainder coming from tuition and other sources.

MUS Salary Data	2026	2027	2028	2029
CUF	\$303,915,525	\$313,792,780	\$323,991,045	\$334,520,754
Tuition and Other Sources	\$15,995,554	\$16,515,409	\$17,052,160	\$17,606,355
Total Salary Data	\$319,911,079	\$330,308,189	\$341,043,205	\$352,127,110

5. HB 51 increases the required university system supplemental employer contribution rate from 4.72% to 14.21% of salaries of all MUS employees participating in MUS-RP.
6. Salaries of MUS-RP members are assumed to increase by 3.25% per year.
7. The impact presented in the fiscal note assumes that this bill is the only amendment being considered. If other changes are also adopted, the fiscal impact associated with this bill could be different.
8. All calculations are based on the July 1, 2024 actuarial valuation.
9. The actuarial valuations and experience studies are available on the TRS website:
