FISCAL ANALYSIS

Assumptions

1. There is no fiscal impact to the state.

Effect on County or Other Local Revenues or Expenditures

MACO

1. HB 486 broadens the pay range for deputy sheriffs. While the range will have a higher upper end, it does not automatically increase any deputy's pay. However, to the extent that a local sheriff chooses to increase deputy pay, the costs would be the responsibility the county.
2. Pension contributions would also increase for those that elect to increase pay.
3. A portion of the pension benefit would be levied in property taxes.
