### Description of fiscal impact

The projects in this bill are investments in state information technology infrastructure and are funded in this long-range program. In addition to the transfer of general fund into this LRIT account, several state agencies have dedicated revenue that is being used for specific projects.

### FISCAL ANALYSIS

#### Assumptions

1. Projects authorized and appropriated in HB 10 are listed in section 2 of the bill along with applicable funding sources.
2. The appropriations are valid until projects are complete. The funding is shown as expenditures are anticipated to be made but are subject to change.
3. The Long-Range IT Account is funded through a General Fund Transfer.
4. For the purposes of this fiscal note, its estimated the expenditures will be split evenly in FY 2026 and FY 2027. The actual expenditures could occur on a different schedule.
