HB 627 requires the Department of Administration to provide certain reports to the Legislative Finance Committee regarding procurement solicitations, contracts, and contract modifications. There is no fiscal impact to the state.

FISCAL ANALYSIS

Assumptions

Department of Administration

- HB 627 requires the Department of Administration's State Procurement Services Division (SPSD) to provide quarterly reports to the Legislative Finance Committee. While this requirement will increase SPSPD's workload, it is not expected to cause a significant fiscal impact for the division.

Legislative Branch

- Section 1 requires the Department of Administration to provide written reports to the Legislative Finance Committee. This section of law is existing and is already part of normal duties of the committee.
- Per 5-11-210 (3), MCA, the costs of preparing and distributing a report to the legislature are the responsibility of the reporting agency.
- There is no fiscal impact from HB 627 since the proposed legislation does not change the existing requirements for the Legislative Branch.
