A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF
MONTANA REQUESTING AN INTERIM STUDY OF COORDINATED HOMELESS SERVICES; AND
REQUIRING THAT THE FINAL RESULTS OF THE STUDY BE REPORTED TO THE 70TH LEGISLATURE.

WHEREAS, 9,352 Montanans needed shelter services in 2023; and

WHEREAS, 3,215 of those Montanans reported having at least one type of disabling condition; and

WHEREAS, stable housing results in better outcomes for individuals with physical disabilities, mental
health disorders, or substance abuse disorders; and

WHEREAS, between 2022 and 2024 the number of people in Montana seeking homeless services
increased by 10% and the number of chronically homeless people in Montana increased by 13.5%, according
to the Homeless Management Information System; and

WHEREAS, an evaluation conducted by the Montana Healthcare Foundation on permanent supportive
housing programs in Montana found a 48% reduction in detention center costs, a 3.8 times reduction in
emergency visits, and a 6.7 times reduction in total health costs after 6 months of being housed; and

WHEREAS, people who receive permanent supportive housing have a 98.12% retentional rate, which
was indicated by the percentage of people in permanent housing programs, excluding rapid rehousing
programs, retaining housing during the reporting year.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF
THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee or statutory
committee, pursuant to section 5-5-217, MCA, to conduct a meaningful and robust study on the benefits to the
state when homeless service providers are able to provide coordinated homeless services, including
wraparound services, and permanent supportive housing.
