FISCAL ANALYSIS

Assumptions

Judiciary

- HB 765 would reestablish the working interdisciplinary network of guardianship stakeholders.
- The network would consist of nine members appointed by the chief justice of the Montana supreme court, in a manner that reflects a geographic balance.
- The network shall meet at least four times a year and may be reimbursed for travel.
- It is assumed the meetings will be held in Helena.
- The costs for mileage for 9 members at the current rate of \$.70 per mile plus lunch at the current rate of \$9.25 averages to \$106.56 per person totaling \$3,836. A 1.5% inflation factor is applied to FY 2028 and FY 2029.
- Section 3 of HB 765 would require the judicial branch to make grants to organizations that provide guardianship services to indigent individuals.
- It is estimated a .5 FTE would be hired to administer the grant duties listed in Section 3, (4).
- The personnel costs (salary and benefits) for a 0.50 FTE in FY 2026 is estimated to be \$47,387.64 per fiscal year. A 1.5% inflation factor is applied to FY 2028 and FY 2029.
- One-time startup costs include new employee package of desk, chair, bookshelf and file cabinet for \$1,600 and computers at \$1,200.
- It is assumed that federal and private grants will be applied for, and that budget amendment authority will be requested for any grants awarded.
