Description of fiscal impact

HB 114 generally revises laws related to consumer protection including unfair financial planning practices, unfair claim settlement practices, and producers holding themselves out to the public as financial planners, investment planners, financial counselors, or any other specialist engaged in the business of providing financial planning or similar advice, within Title 33, chapter 18.

FISCAL ANALYSIS

Assumptions

State Auditor's Office

1. HB 114 generally revises laws related to consumer protection within Title 33, chapter 18. The revisions could cause an increase in enforcement on the part of the State Auditor's Office. However, the office will absorb the additional enforcement activities with existing staff.
2. Enforcement action could result in additional fines which will be deposited to the general fund.
