### Description of fiscal impact

HB 674 revises the duties of the Code Commissioner to add the requirement to the duties of the Code Commissioner to make recommendations to Legislative Counsel to eliminate laws that are not in effect due to a court determination that the law is facially unconstitutional. The fiscal impact to the Legislative Branch is \$7,308 in the 2027 Biennium.

### FISCAL ANALYSIS

#### Assumptions

#### Legislative Branch

1. SB 674 amends 1-11-204(1), MCA, add a requirement to the duties of the Code Commissioner to make a recommendation to Legislative Counsel to eliminate laws that are not in effect due to a court determination that the law is facially unconstitutional. The report and recommendations are due in November of each odd fiscal year before the legislative session. To establish this recommendation in FY 2027, it will take 80 hours of legal staff time for a total of \$6,194.
2. To maintain this requirement, it will take 40 hours at the cost of \$3,763 in each additional odd year. An inflationary rate of 1.5% was added for each fiscal year.
3. It is unknown how many bills are seeking to add to the duties of the Legislative Branch. The fiscal note of each bill is prepared based on the effect of each individual bill. However, when viewed as a package, the cumulative effect of passage of more than one bill would require additional analysis and may require additional resources for staffing and information technology support.
