### **Description of fiscal impact**

HB 832 establishes a provider training grant program for posttraumatic stress disorder therapies. The bill provides an appropriation and an effective date. The fiscal impact to the Department of Labor and Industry (DLI) results from the costs associated with the administration of the grants.

### **FISCAL ANALYSIS**

#### **Assumptions**

#### **Department of Labor and Industry (DLI)**

- DLI would need to select an entity to develop and operate this program using a general fund appropriation. There may be costs associated with selecting an entity and there will be added work to provide the Economic Affairs Interim Committee with annual reports, but both the costs and work should be minimal. DLI would use existing resources within the department to cover any costs.
- DLI assumes one-time-only general fund appropriation of \$600,000 for administration of grants.
