2 **NEW SECTION. Section 2. Contents of petition -- establishment of claim for compensation.** (1)

3 A claimant may bring a civil action against the state or county of conviction in the district court in which the
4 conviction originated to seek the relief provided for in [section 6]. All claims of compensation are governed by
5 the Montana Rules of Civil Procedure. The claim must be:

6 (a) accompanied by a statement of facts explaining the basis of the claim, including if:

7 (i) the charge for which the claimant seeks compensation was dismissed;

8 (ii) the claimant was found not guilty at a retrial; or

9 (iii) only if either (1)(a)(i) or (1)(a)(ii) is not met, a proffer establishing actual innocence;

10 (b) written and verified by the claimant under penalty of perjury; and

11 (c) filed within a period of 3 years after the date of ~~exonerated~~ disposition.

12 (2) A claimant convicted, imprisoned, and released from custody before July 1, 2025, who intends
13 to bring an action under [sections 1 through 8] shall commence the action no later than July 1, 2028.

14 (3) All pleadings must be captioned as follows: "In the matter of the wrongful conviction of [name of
15 claimant]."

16 (4) (a) A claimant may receive a transition assistance grant of \$5,000. The claimant shall verify by
17 affidavit filed with the department of corrections that the claimant satisfies the requirements set forth in
18 subsection (1), under penalty of perjury. Within 30 days of receiving the claimant's affidavit, the department of
19 corrections shall issue the grant funds to the claimant.

20 (b) If the claimant fails to file a claim within the time period described in this section, or if the claim
21 is denied by the district court, the claimant shall reimburse the state in the amount of \$5,000 within 1 year
22 following receipt of the grant money.

23 (5) Nothing in [sections 1 through 8] permits a person who petitions a court for expungement of a
24 felony conviction for a crime that is now legal under Title 16, chapter 12, to seek compensation for a wrongful
25 conviction.

26

27 **NEW SECTION. Section 3. Election of remedies.** (1) ~~(a) Except as provided in subsection (1)(b), to~~

28 ~~To~~ be eligible to receive relief under [section 2], the claimant shall affirmatively waive any and all other

remedies, causes of action, and other forms of relief or compensation against the state, any political subdivision of the state and their officers, employees, agents, and volunteers related to the claimant's wrongful conviction and imprisonment. This waiver includes all state, common law, and federal claims for relief, including claims pursuant to 42 U.S.C. 1983. The claimant shall execute a release of all claims against the state, any political subdivision of the state, and their officers, employees, agents, and volunteers arising from the facts contained in the petition prior to the payment of any damages or compensation or the receipt of a rental voucher under 46-23-1041. For the purposes of any insurance claim made for this type of claim, the date of ~~exoneration~~ disposition is the occurrence date.

~~(b) — If a claim filed pursuant to [sections 1 through 8] is denied, the claimant is not subject to the restrictions as described in subsection (1)(a) and the waiver is void and may not be enforced.~~

(2) An individual who has a legal proceeding pending or in which judgment has been entered in state or federal court seeking damages or relief for wrongful conviction or imprisonment based on facts that could establish a cognizable claim pursuant to [sections 1 through 8] may not bring a claim under [section 2].

NEW SECTION. Section 4. Commencement of proceedings -- burden of proof. (1) A claimant is entitled to a hearing in district court as expeditiously as possible after filing a claim for compensation.

(2) A claim filed pursuant to [sections 1 through 8] must be served on the department of justice and the county of conviction. The department shall provide a defense for the state and the county of conviction shall provide its own defense for claims filed under [sections 1 through 8].

(3) A claim filed under [sections 1 through 8] must be tried by a jury unless a jury trial is waived upon agreement of the parties.

(4) If a claimant dies prior to filing or during pendency of a claim under [sections 1 through 8], the person's estate may file or maintain a claim pursuant to [sections 1 through 8].

(5) The claimant must prove by a preponderance of the evidence that:

(a) the claimant did not commit the crime or crimes for which the claimant was convicted, did not aid, abet, or act as an accomplice or accessory to a person who committed the acts that were the basis of the conviction, and did not commit a lesser offense necessarily included in the crime for which the claimant was convicted;

(b) the claimant did not commit perjury under 45-7-201, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. A confession or admission that is later found to be false or a guilty plea that is withdrawn does not constitute committing perjury, fabricating evidence, or causing or bringing about the conviction, and 45-7-201 does not apply.

(c) the claimant's conviction was reversed or vacated and either the claimant was not retried and the charges were dismissed, or the claimant was retried and was found not guilty, and the basis for reversing or vacating the conviction was not legal error unrelated to factual innocence.

(6) The court, in exercising its discretion regarding the weight and admissibility of evidence submitted under this section, may in the interest of justice give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by claimants, the state, the county of conviction, or those acting on their behalf.

(7) If the court finds that the claimant is entitled to judgment, the court shall enter a certificate of innocence finding that the claimant is innocent of all crimes for which the claimant was mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of innocence and the judgment to the department of justice and the county of conviction for payment pursuant to [sections 1 through 8].

(8) The decision of the district court may be appealed directly to the supreme court.

NEW SECTION. Section 5. Expungement. (1) Upon entry of a certificate of innocence, the court shall order the associated convictions and arrest records expunged and purged from all applicable systems, including both electronic and hard copy systems. The court shall enter the expungement order regardless of whether the claimant has prior criminal convictions in other cases that are not the subject of the claim for compensation.

(2) The order of expungement must state:

(a) the claimant's current full name;

(b) the claimant's full name at the time of arrest and conviction, if different from the claimant's current name;

(c) the claimant's sex, race, and date of birth;

(d) the crime for which the claimant was arrested and convicted;

(e) the date of the claimant's arrest and the date of the claimant's conviction; and

(f) the identity of the arresting law enforcement authority and the identity of the district court that rendered the conviction.

(3) The order of expungement also must direct the department of justice to purge the conviction and arrest information from the central repository of the criminal justice information network and all applicable databases. The clerk of the court shall send a certified copy of the order to the department of justice for immediate action, and the department shall carry out the order and notify the federal bureau of investigation, the department of corrections, and any other criminal justice agency that may have a record of the conviction and arrest. The department of justice shall provide confirmation of the action to the court.

(4) If a certificate of innocence and an order of expungement are entered, the claimant must be treated as not having been arrested or convicted of the crime or crimes to which the certificate of innocence applies.

(5) (a) Upon entry of a certificate of innocence:

(i) the court shall order the expungement and destruction of any associated biological samples from the claimant. The order must state the information required to be expunged and destroyed.

(ii) the court shall seal all district court records regarding the conviction. The district court records are only available upon a good cause finding by the court.

(iii) the clerk of the court shall send a certified copy of the order to the department of justice, which must carry out the order and provide confirmation of the action to the court.

(b) The department is not required to expunge and destroy any samples record associated with the claimant related to an offense other than the offense or offenses for which the court has entered a certificate of innocence.

(6) The decision to grant or deny a certificate of innocence does not have a res judicata effect on any other criminal proceedings involving the claimant.

NEW SECTION. Section 6. Damages. (1) Damages, except as provided in subsection (3), awarded under this section are:

(a) ~~\$65,000~~ \$80,000 for each year of imprisonment; and

(b) \$25,000 for each additional year served on parole or probation supervision or for each additional year the claimant was required to register as a sexual or violent offender, whichever is greater.

(2) Compensation awarded under [sections 1 through 8] is not subject to the monetary limitation under 2-9-108.

(3) All damages must be paid out of the account provided for in [section 8].

(4) A claimant is not entitled to receive compensation for any period of imprisonment during which the claimant was concurrently serving a sentence for a conviction of another crime for which the claimant was lawfully convicted and incarcerated.

(5) (a) Except as provided in subsection (5)(b), the court shall order that the award be paid as a combination of an initial payment not to exceed \$100,000 or 25% of the award, whichever is greater, and the remainder as an annuity not to exceed \$80,000 a year.

(b) (i) On July 1 of each year, the award increases by an amount equal to the percentage increase, if any, for the preceding calendar year in the annual average consumer price index for urban wage earners, compiled by the bureau of labor statistics of the United States department of labor or its successor agency.

(ii) The amount for any partial year must be prorated in order to compensate only for the portion of the year when the claimant was incarcerated.

(c) The claimant shall designate a beneficiary or beneficiaries for the annuity by filing a beneficiary designation with the court.

(d) The court may order that the award be paid in one lump sum if the court finds that it is in the best interests of the claimant.

(6) (a) In addition to the damages awarded pursuant to subsection (1), a claimant:

(i) is entitled to receive costs, including but not limited to the actual cost of all expenses reasonably incurred in an action brought pursuant to [sections 1 through 8], and reasonable attorney fees, not to exceed a total of \$25,000;

(ii) is entitled to up to 2 years of tuition assistance at any unit or campus of the Montana university system, which must be used during the first 5 years after receiving a damages award; and

(iii) is entitled to 1 year of state-funded medical insurance.

(b) All funds received by the claimant and the value of services provided, except any attorney fees

retained by counsel, are exempt from state income taxes.

(7) The department of corrections shall provide a rental voucher pursuant to 46-23-1041 to the claimant while an action under [sections 1 through 8] is pending.

NEW SECTION. Section 7. Offset provision. In the event the waiver or release provided under [section 3(1)] is held invalid in whole or in part for any reason:

(1) if, at the time of an award of monetary damages or compensation under [section 6], the claimant has also been awarded damages against the state, a political subdivision, or their officers, employees, agents, or volunteers in a civil action related to the claimant's same wrongful conviction or imprisonment, including any settlement, the amount awarded under [section 6] must be reduced by the amount of damages or compensation previously awarded; and

(2) if, after the time of an award of monetary damages or compensation under [section 6], the claimant is awarded damages against the state, a political subdivision, or their officers, employees, agents, or volunteers in a civil action related to the claimant's same wrongful conviction or imprisonment, including any settlement, the claimant shall reimburse to the state or a political subdivision of the state any amount awarded under [section 6].

(3) (a) The department of administration may invoice the county or consolidated government where the exoneree was convicted for up to ~~50%~~ 75% of the compensation awarded to the claimant. The invoice must contain:

(i) a copy of the claimant's original petition;

(ii) a statement that the requirements for a successful claim have been met; and

(iii) the amount owed to the state by the county or consolidated government.

(b) The county or consolidated government may petition the district court to void the invoice and request that the state be responsible for the entirety of the compensation awarded to the claimant. The petition may not include a refutation of the claim originally filed under [sections 1 through 8].

(c) The department of administration may not delay payment of funds to the claimant pending any procedure outlined in subsection (3)(a) or any litigation under subsection (3)(b).

(4) There is an account in the state special revenue fund established in 17-2-102 known as the exoneree compensation fund.

(5) Money in this account may be used only to pay compensation awarded under [sections 1 through 8].

(6) Funds in the account may come from grants, gifts, donations, fund transfers, and funds received from counties and consolidated governments.

(7) For the purposes of an insurance claim made by the state, a political subdivision of the state, and the officers, employees, agents, and volunteers of the state or a political subdivision of the state for any wrongful incarceration claim, the date of exoneration disposition is the occurrence date.
