### Description of fiscal impact

HB 592 generally revises state agency rulemaking under the Montana Administrative Procedure Act. This legislation has no fiscal impact.

### FISCAL ANALYSIS

#### Assumptions

1. While HB 592 will require agencies to change their timelines and processes when engaging in statutorily required rulemaking, the agencies do not anticipate that these would be significant enough to impose any fiscal impact.
2. Any additional costs HB 592 may impose are anticipated to be minimal, and could likely be absorbed under covered within current budget and staffing levels.
