8 All appropriations for the Legislative Branch are biennial.

9 It is the intent of the Legislature that Pension Actuarial not be included in the Legislative Fiscal Division's budget request for the 2029 biennium.

10 Audit and Examination includes a one-time-only reduction of general fund of \$469,568 in FY 2026 and \$477,759 in FY 2027 and increase of state special revenue of \$469,568 in FY 2026 and \$477,759 in FY 2027
11 because of an anticipated temporary increase in the number of hours to complete the Federal Single Audit.

12 Audit and Examination includes a one-time-only increase of general fund of \$132,165 in FY 2026 and \$132,165 in FY 2027 and decrease of state special revenue of \$132,165 in FY 2026 and \$132,165 in FY 2027
13 because of proposed changes in information technology audits included in LC 4208. If LC 4208 is not passed and approved, then the increase in general fund and the decrease in state special revenue in FY 2026 and
14 FY 2027 is void.

15 The general fund appropriations in FY 2026 and FY 2027 for Hotline Cases and Other Contingencies are for contracted services necessary under section 5-13-305, MCA, relating to increased activities for hotline
16 cases and other contingencies.

17 Analysis of Montana Budget Implications From Federal Action is contingent on one of the following events occurring in either fiscal year of the 2027 biennium: (1) passage of a bill or other type of legislation from
18 either chamber of Congress or executive order that reduces anticipated federal revenues to Montana by more than \$100 million in the 2027 biennium; (2) passage of a bill or other type of legislation by both chambers of
19 Congress or executive order that cancels previously enacted spending in a manner that reduces anticipated federal revenues to Montana by more than \$50 million; or (3) passage of a bill or other type of legislation from
20 either chamber of Congress that reduces anticipated state general fund revenue by more than \$100 million. This appropriation will be used for additional Legislative Finance Committee meetings and joint meetings with
21 appropriate interim committees and interim budget committees to analyze and prepare for changes to the Montana budget resulting from federal action.

If the Montana State Lottery Division does not conduct a request for proposal to obtain its contract for gambling services the division's proprietary authority will be reduced by \$500,000 in both fiscal years of the 2027 biennium.

The Legislative Audit Division will conduct a performance audit in the 2027 biennium of the Montana State Lottery contract procurement process.

It is the intent of the Legislature in each fiscal year of the 2027 biennium that if the Department of Administration is not able to deliver draft statewide financial statements to the Legislative Auditor by November 30, the Director of the Department of Administration shall make a written report to the Legislative Audit Committee explaining the reasons for any delay and identifying whether any specific agencies or component units have not provided information to the department in a timely manner.

It is the intent of the Legislature that the gambling services contract require the new contract winner to pay up to \$50,000 a year for problem gambling addiction services.

If [an act] is passed and approved to require the Board of Investments to operate as a fiduciary, then the State Financial Services Division's general fund is increased by \$87,878 in each fiscal year of the 2027 biennium and proprietary funds are decreased by the same amount in each fiscal year of the 2027 biennium.

If HB 722 is not passed and approved, general fund appropriations in the State Information Technology Services Division are reduced by \$250,000 in FY 2026 and \$250,000 in FY 2027.
