### Description of fiscal impact

After stakeholder meetings and rulemaking, fees may be adjusted commensurate with cost but the amount is not known at this time.

### FISCAL ANALYSIS

#### Assumptions

#### Department of Environmental Quality

1. Tank fee changes would not occur until the Administrative Rules, 75-11-505, are modified.
2. The department can adjust fees in a timely manner in ARM, 75-11-505 with stakeholder input commensurate with costs associated with administering the Underground Storage Tank Leak Prevention Program.
