### Description of fiscal impact

#### Judiciary

HB 765 would reestablish the working interdisciplinary network of guardianship stakeholders.

### FISCAL ANALYSIS

#### Assumptions

#### Judiciary

1. HB 765 would reestablish the working interdisciplinary network of guardianship stakeholders.
2. The network would consist of nine members appointed by the chief justice of the Montana supreme court, in a manner that reflects a geographic balance.
3. The network shall meet at least four times a year and may be reimbursed for travel.
4. It is assumed the meetings will be held in Helena.
5. The costs for mileage for 9 members at the current rate of \$.70 per mile plus lunch at the current rate of \$9.25 averages to \$106.56 per person totaling \$3,836. A 1.5% inflation factor is applied to FY 2028 and FY 2029.
6. Section 3 of HB 765 would require the judicial branch to make grants to organizations that provide guardianship services to indigent individuals.
7. It is estimated a .5 FTE would be hired to administer the grant duties listed in Section 3, (4).
8. The personnel costs (salary and benefits) for a 0.50 FTE in FY 2026 is estimated to be \$47,387.64 per fiscal year. A 1.5% inflation factor is applied to FY 2028 and FY 2029.
9. One-time startup costs include new employee package of desk, chair, bookshelf and file cabinet for \$1,600 and computers at \$1,200.
10. It is assumed that federal and private grants will be applied for, and that budget amendment authority will be requested for any grants awarded.
