16 distribution in the United States.

17

18 **NEW SECTION. Section 5. Directory -- publication -- updates.** (1) Starting January 1, 2026, the  
19 attorney general shall maintain and make publicly available on the attorney general's official website a directory  
20 that lists all vapor product manufacturers and all vapor products containing nicotine, such as brand names,  
21 product names, categories, including but not limited to a disposable vapor product, e-liquid, e-liquid cartridge, e-  
22 liquid pod, and power unit, and flavors, for which certification forms have been submitted and approved by the  
23 attorney general.

24 (2) The attorney general shall update the directory as necessary in order to correct mistakes and  
25 to add or remove a vapor product manufacturer or vapor product containing nicotine to keep the directory in  
26 conformity with the requirements of this chapter. The attorney general shall establish a process to provide  
27 licensed retailers, wholesalers, importers, and other relevant parties notice of the initial publication of the  
28 directory and changes made to the directory in the prior month.

(3) A vapor product manufacturer or the vapor product manufacturer's vapor products containing nicotine may not be included or retained in the directory if the attorney general determines that any of the following apply:

(a) the vapor product manufacturer failed to provide a complete and accurate certification as required by [section 2];

(b) the vapor product manufacturer submitted a certification that does not comply with the requirements of [sections 2(2) and (3)(a)];

(c) the vapor product manufacturer failed to include with its certification the payment required by [section 2(3)(b)];

(d) the vapor product manufacturer sold vapor products containing nicotine in this state required to be certified under this chapter during a period when either the vapor product manufacturer or the vapor product containing nicotine had not been certified and listed on the directory;

(e) the information provided by the vapor product manufacturer in its certification is determined by the attorney general to contain false information or contains material misrepresentations or omissions;

(f) the vapor product manufacturer failed to submit a change notice to the attorney general as required by [section 4]; or

(g) the vapor product manufacturer failed to submit any reports required under 16-11-128.

**NEW SECTION. Section 6. Directory -- notice and inventory.** The attorney general shall provide vapor product manufacturers notice and an opportunity to cure deficiencies before removing vapor product manufacturers or vapor products containing nicotine from the directory.

(1) The attorney general may not remove the vapor product manufacturer or the vapor product manufacturer's vapor products containing nicotine from the directory until at least 30 days after the vapor product manufacturer has been given notice of an intended action. Notice is sufficient and immediately received by a vapor product manufacturer if the notice is sent either electronically or by facsimile to an electronic mail address or facsimile number provided by the vapor product manufacturer in its most recent certification filed under [sections 2(2) and (3)].

(2) The vapor product manufacturer has 30 days from the date the attorney general provides

notice under subsection (1) to cure all identified deficiencies. Failure to cure the deficiencies to the attorney general's satisfaction may result in the attorney general removing the vapor product manufacturer or the manufacturer's vapor products containing nicotine from the directory.

(3) Retailers have 30 days following the removal of a vapor product manufacturer or the vapor product manufacturer's vapor products containing nicotine from the directory to sell the vapor products containing nicotine that were in the retailer's inventory as of the date of removal.

(4) After 30 days following removal from the directory, the vapor products containing nicotine of a vapor product manufacturer identified in the notice of removal and intended for sale in this state are subject to seizure and forfeiture from retailers, wholesalers, and importers and destruction or disposal, and may not be purchased or sold for retail sale in this state. The cost of the seizure, forfeiture, and destruction or disposal must be borne by the retailer, wholesaler, or importer from whom the vapor products containing nicotine are confiscated.

**NEW SECTION. Section 7. Restrictions on sale of vapor products containing nicotine. (1)**

Except as provided in subsections (2) and (3) of this section, beginning October 1, 2025, or on the date that the attorney general first makes the directory available for public inspection on the attorney general's official website, whichever is later, vapor products containing nicotine not included in the directory may not be sold for retail sale in this state, either directly or through a retailer, wholesaler, importer, or similar intermediary or intermediaries.

(2) A retailer has 60 days from the date that the attorney general first makes the directory available for inspection on the attorney general's public website to sell vapor products containing nicotine that were in the retailer's inventory and not included in the directory or remove those vapor products containing nicotine from inventory.

(3) A retailer, wholesaler, or importer has 60 days from the date that the attorney general first makes the directory available for inspection on the attorney general's public website to remove those vapor products containing nicotine intended for retail sale in the state from the retailer, wholesaler, or importer's inventory.

(4) After 60 days following publication of the directory, the attorney general may begin enforcing

1 this chapter, and vapor products containing nicotine not listed in the directory and intended for sale in this state  
2 are subject to seizure, forfeiture, and destruction or disposal and may not be purchased or sold for retail sale in  
3 this state except as provided in subsections (2) and (3) of this section. The cost of the seizure, forfeiture, and  
4 destruction or disposal must be borne by the retailer, wholesaler, or importer from whom the vapor products  
5 containing nicotine are confiscated.

6  
7 **NEW SECTION. Section 8. Penalties.** The following penalties apply to violations of this chapter:

8 (1) A retailer, wholesaler, or importer who sells or offers for sale a vapor product containing  
9 nicotine for retail sale in this state or to a consumer in this state that is not included in the directory shall be  
10 subject to a civil penalty of \$250 for each individual vapor product containing nicotine offered for sale in  
11 violation of this chapter.

12 (a) For a second violation of this type within a 12-month period, the civil penalty is \$500 for each  
13 individual vapor product containing nicotine offered for sale in violation of this chapter and a licensee's license  
14 must be suspended for 1 month.

15 (b) For a third violation of this type within a 12-month period, the civil penalty is \$750 for each  
16 individual vapor product containing nicotine offered for sale in violation of this chapter and a licensee's license  
17 must be suspended for 3 months.

18 (c) For a fourth or subsequent violation of this type within a 12-month period, the civil penalty is  
19 \$1,000 for each individual vapor product containing nicotine offered for sale in violation of this chapter and a  
20 licensee's license must be suspended for 1 year.

21 (2) A vapor product manufacturer whose vapor products containing nicotine are not listed in the  
22 directory and who causes the vapor products containing nicotine that are not listed to be sold for retail sale in  
23 this state or to a consumer in this state, whether directly or through a retailer, wholesaler, importer, or similar  
24 intermediary or intermediaries, is subject to a civil penalty of \$10,000 for each individual vapor product  
25 containing nicotine offered for sale in violation of this chapter. In addition, any vapor product manufacturer that  
26 falsely represents any information required by a certification form is guilty of a misdemeanor for each false  
27 representation.

28 (3) In an action to enforce this chapter, the state is entitled to recover costs, including the costs of

1 investigation, expert witness fees, and reasonable attorney fees.

2 (4) A second or subsequent violation of this chapter constitutes an unfair or deceptive trade  
3 practice and is a violation of 30-14-103.  
4

5 NEW SECTION. Section 9. Agent for service of process. (1) A nonresident or foreign vapor  
6 product manufacturer that has not registered to do business in the state as a foreign corporation or business  
7 entity shall, as a condition precedent to having its vapor products containing nicotine on the directory, appoint,  
8 and continually engage without interruption the services of an agent in this state to act as an agent for the  
9 service of process on whom all process and any action or proceeding against it concerning or arising out of the  
10 enforcement of this chapter may be served in any manner authorized by law. The service constitutes legal and  
11 valid service of process on the vapor product manufacturer. The vapor product manufacturer shall provide the  
12 name, address, phone number, and proof of the appointment and availability of the agent to the satisfaction of  
13 the attorney general.

14 (2) The vapor product manufacturer shall provide notice to the attorney general at least 30 days  
15 prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the attorney  
16 general of the appointment of a new agent no less than 5 days prior to the termination of an existing agent  
17 appointment. If an agent terminates an agency appointment, the vapor product manufacturer shall notify the  
18 attorney general of the termination within 5 days and include proof to the satisfaction of the attorney general of  
19 the appointment of a new agent.  
20

21 NEW SECTION. Section 10. Bond requirement for nonresident or foreign vapor product  
22 **manufacturers.** (1) A nonresident or foreign vapor product manufacturer that has not registered to do business  
23 in the state as a foreign corporation or business entity shall, as a condition to having its name or its vapor  
24 products containing nicotine listed and retained in the directory, submit to the attorney general a surety bond or  
25 other cash security payable to the state of Montana in the amount of \$25,000 the first time the nonresident or  
26 foreign vapor product manufacturer files a certification pursuant to [section 2]. The bond must be posted by a  
27 corporate surety located within the United States.

28 (2) The bond must be conditioned on the performance by the nonresident or foreign vapor product

1 manufacturer of all requirements and obligations imposed by this chapter. A surety on a nonresident or foreign  
2 vapor product manufacturer's bond must be liable up to the amount of the bond, and the state may execute on  
3 the surety bond for the payment of fines and penalties imposed on the nonresident or foreign vapor product  
4 manufacturer under this section and for the costs of seizure and destruction of vapor products containing  
5 nicotine sold in violation of this section. If the state executes on the surety bond, it may require the nonresident  
6 or foreign vapor product manufacturer to provide an additional bond as a condition precedent for retaining the  
7 nonresident or foreign vapor product manufacturer or its vapor products containing nicotine in the directory. The  
8 state may also require an initial and subsequent bond in excess of \$25,000 if the nonresident or foreign vapor  
9 product manufacturer's volume of sales, conduct, or other circumstances merit a larger bond.

10 (3) A surety on a bond furnished by a nonresident or foreign vapor product manufacturer as  
11 provided in this section must be released and discharged from liability to the state accruing on the bond after  
12 expiration of 60 days from the date on which the surety must have lodged with the attorney general a written  
13 request to be released and discharged. This subsection does not relieve, release, or discharge the surety from  
14 liability already accrued or that may accrue before the expiration of the 60-day period. The attorney general  
15 shall, on receiving this request, notify the nonresident or foreign vapor product manufacturer who furnished the  
16 bond. Unless the nonresident or foreign vapor product manufacturer, on or before the expiration of the 60-day  
17 period, files with the attorney general a new bond with the surety approved by and acceptable to the attorney  
18 general, the attorney general shall remove the nonresident or foreign vapor product manufacturer and the  
19 nonresident or foreign vapor product manufacturer's vapor products containing nicotine from the directory.

20  
21 **NEW SECTION. Section 11. Inspections.** (1) (a) A retailer, wholesaler, or importer that sells or  
22 resells vapor products containing nicotine in this state is subject to up to four unannounced compliance checks  
23 annually for the purposes of enforcing this chapter. The department of revenue, attorney general, and  
24 department of public health and human services has authority to inspect all retailers, wholesalers, and  
25 importers that sell or resell vapor products containing nicotine in this state.

26 (b) If the department of revenue, attorney general, or department of public health and human  
27 services finds a retailer, wholesaler, or importer noncompliant with this chapter, then the department of  
28 revenue, attorney general, or department of public health and human services may conduct unannounced

1 follow-up compliance checks within 30 days after a violation of this chapter.

2 (c) The attorney general shall publish the results of all compliance checks at least annually and  
3 shall make the results available to the public on request.

4 (2) The attorney general may coordinate with the department of revenue and the department of  
5 public health and human services in conducting inspections and may work with the department of revenue and  
6 the department of public health and human services to conduct the inspections required under this section with  
7 those conducted under section 16-11-309.

8  
9 NEW SECTION. Section 12. Rules. The attorney general may promulgate rules necessary to effect  
10 the purposes of [sections 1 through 15].

11  
12 NEW SECTION. Section 13. Fees and penalties -- appropriations -- use. (1) There is a dedicated  
13 state special revenue account within the state special revenue fund established in 17-2-102, to be administered  
14 by the attorney general. The account consists of fees and penalties collected by the attorney general pursuant  
15 to [sections 1 through 15] and is statutorily appropriated, pursuant to 17-7-502, to the department of justice.  
16 Except as provided in subsection (2), money in the account must be used by the attorney general for the  
17 purpose of administering the provisions of this chapter and to establish and maintain the directory created in  
18 this chapter.

19 (2) At the end of the first fiscal year after [the effective date of this act], the attorney general shall  
20 transfer \$300,000 to the general fund.

21  
22 NEW SECTION. Section 14. Reporting of information. (1) No later than 20 days after the end of  
23 each calendar quarter, and more frequently if directed by the attorney general, each wholesaler shall submit  
24 information that the attorney general requires to facilitate compliance with this section by vapor product  
25 manufacturers, including but not limited to a list by brand family and product name of the total units sold by the  
26 wholesaler during the preceding calendar quarter. The wholesaler shall maintain and make available to the  
27 attorney general all invoices and documentation of sales of all vapor products containing nicotine and any other  
28 information relied on in reporting to the attorney general for a period of 5 years.

(2) The department of revenue is authorized to disclose to the attorney general any information received by it and requested by the attorney general for the purposes of determining compliance with and enforcing the provisions of this chapter. The department of revenue and the attorney general shall share the information received under this chapter with each other and may share the information with other federal, state, or local agencies only for the purposes of enforcement of this chapter or the corresponding laws of other states.

(3) In addition to the information required to be submitted pursuant to subsections (1) and (2), the attorney general may require a wholesaler or vapor product manufacturer to submit any additional information, including but not limited to samples of the packaging or labeling of each brand family of vapor products containing nicotine, to enable the attorney general to determine whether a vapor product manufacturer or wholesaler is in compliance with this chapter. All information submitted by a wholesaler or vapor product manufacturer under this section must be full, complete, and accurate.

(4) The attorney general may seek an injunction to restrain a threatened or actual violation of this section by a wholesaler and to compel the wholesaler to comply with this section.

**NEW SECTION. Section 15. Annual reports.** Starting January 31, 2026, and annually afterward, the attorney general shall provide a report to the revenue interim committee in accordance with 5-11-210 regarding the status of the directory, including a discussion of the date of initial publication, dates of updated versions, and issues the attorney general has encountered related to making updates to the directory, revenue and expenditures related to the administration of this section, and any enforcement activities undertaken by the attorney general.
