FISCAL ANALYSIS

Assumptions

Department of Public Health and Human Services (DPHHS)

- HB 236, as amended, provides for a potential location change by having psychiatric evaluations done at detention centers. Much of these evaluations can be done through telemedicine. If there is a reason telemedicine isn't feasible, there may be minimal travel expenses. DPHHS assumes that individuals needing the psychiatric evaluation are currently incarcerated and are not Medicaid eligible.

Department of Corrections (DoC)

- There is no fiscal impact to the DoC.
