The Department of Fish, Wildlife, and Parks is authorized to adjust the appropriations between state special revenue and federal special revenue by like amounts in order to respond to increases or reductions in annual federal funding received during the biennium.

The snowmobile trail groomer appropriation in the Parks and Outdoor Recreation Division of \$300,000 a year is biennial.

The Department of Fish, Wildlife, and Parks shall report to the Environmental Quality Council and the Joint Interim Budget Committee for Natural Resources and Transportation by the first day of December of each year of the 2027 Biennium on the actual habitat enhanced and actual areas treated for weeds.

During the 2027 biennium, the Department of Natural Resources and Conservation is authorized to decrease federal special revenue in the water pollution control and/or drinking water revolving fund loan programs and increase state special revenue by a like amount within administration accounts when the amount of federal Environmental Protection Agency CAP grant funds allocated for administration of the grant have been expended or federal funds and bond proceeds will be used for other program purposes as authorized in law providing for the distribution of funds.												
During the 2027 biennium, up to \$600,000 from the loan loss reserve account of the private loan program established in section 85-1-603, MCA, is appropriated to the Department of Natural Resources and Conservation for the purchase of prior liens on property held as loan security as provided in section 85-1-615, MCA.												
If LC 2159 is not passed and approved, state special revenue in the Water Resources Division is reduced by \$1,000,000 in FY 2026 and \$1,000,000 in FY 2027
