- (b) subject to the functions of the department of administration, lease or purchase lands for use by correctional facilities and classify those lands to determine those that may be most profitably used for agricultural purposes, taking into consideration the needs of all correctional facilities for the food products that can be grown or produced on the lands and the relative value of agricultural programs in the treatment or rehabilitation of the persons confined in correctional facilities;
- (c) contract with private, nonprofit Montana Montana corporations or, pursuant to the Montana Community Corrections Act, with community corrections facilities or programs or local or tribal governments to

1 establish and maintain:

5 offenders pursuant to 46-18-201. The centers shall provide a less restrictive environment than the prison while
6 maintaining adequate security. The centers must be operated in coordination with other department correctional
7 programs. This subsection does not affect the department's authority to operate and maintain prerelease or
8 treatment centers.

9 (ii) residential methamphetamine treatment programs for the purpose of alternative sentencing as
10 provided for in 46-18-201 or 46-18-202 and any other sections relating to alternative sentences for persons
11 convicted of possession of methamphetamine. The department shall issue a request for proposals using a
12 competitive process and shall follow the applicable contract and procurement procedures in Title 18.

26 defined in 41-5-103;

27 (j) collect and disseminate information relating to youth who are committed to the department for
28 placement in a correctional facility as defined in 41-5-103;

(ii) coordinate and apply the principles of modern correctional administration to the facilities and programs administered by the department.

(2) The department may contract with private, nonprofit or for-profit Montana corporations to establish and maintain a residential sexual offender treatment program. If the department intends to contract for that purpose, the department shall adopt rules for the establishment and maintenance of that program.

(3) The department and a private, nonprofit or for-profit Montana corporation may not enter into a contract under subsection (1)(c) or (2) for a period that exceeds 20 years. The provisions of 18-4-313 that limit the term of a contract do not apply to a contract authorized by subsection (1)(c) or (2). Prior to entering into a contract for a period of 20 years, the department shall submit the proposed contract to the legislative audit committee. The legislative audit division shall review the contract and make recommendations or comments to the legislative audit committee. The committee may make recommendations or comments to the department. The department shall respond to the committee, accepting or rejecting the committee recommendations or comments prior to entering into the contract.

(4) The department of corrections may enter into contracts with nonprofit corporations or associations or private organizations to provide substitute care for delinquent youth in correctional facilities.

(5) The department may contract with Montana corporations to operate a day reporting program as an alternate sentencing option as provided in 46-18-201 and 46-18-225 and as a sanction option under 46-23-1015. The department shall adopt by rule the requirements for a day reporting program, including but not limited to requirements for daily check-in, participation in programs to develop life skills, and the monitoring of compliance with any conditions of probation, such as drug testing.

(6) Rules adopted by the department pursuant to subsection (1)(a) may not amend or alter the

1 statutory powers and duties of the state board of pardons and parole. The rules for the siting, establishment,
2 and expansion of prerelease centers must state that the siting is subject to any existing conditions, covenants,
3 restrictions of record, and zoning regulations. The rules must provide that a prerelease center may not be sited
4 at any location without community support. The prerelease siting, establishment, and expansion must be
5 subject to, and the rules must include, a reasonable mechanism for a determination of community support for or
6 objection to the siting of a prerelease center in the area determined to be impacted. The prerelease siting,
7 establishment, and expansion rules must provide for a public hearing conducted pursuant to Title 2, chapter 3.

8 (7) The department shall ensure that risk and needs assessments drive the department's
9 supervision and correctional practices, including integrating assessment results into supervision contact
10 standards and case management. The department shall regularly validate its risk assessment tool."
