# Amendment - 1st Reading-white - Requested by: John Fitzpatrick - (H) Appropriations

- 2025

69th Legislature 2025

Drafter: Julie Johnson,

HB0012.001.001

1           61     Yellowstone Gateway Museum of Park County

2                     Yellowstone Gateway Museum Foundation                     ~~\$499,620~~ \$200,000

3           ~~63     Main Street Building~~

4           ~~Lonesome Prairie Properties, LLC                     \$232,000~~

5           (3)     Funding for the projects in subsection (2) is provided in the order of priority as long as there are  
6     sufficient funds available from the amount that was deposited in the historic preservation grant program account  
7     during the biennium beginning July 1, 2025. The funds in this subsection (3) must be awarded for the projects  
8     and in amounts not to exceed the amounts set out in subsection (2) subject to the conditions set forth in  
9     [section 3]. However, any of the projects listed in subsection (2) that do not complete the conditions described  
10    in [section 3(1)] by September 1, 2026, must be reviewed by the next regular legislature to determine if the  
11    authorized grant should be withdrawn.

12           (4)     If sufficient funds are available, this section constitutes a valid obligation of funds to the grant  
13    projects listed in subsection (2) for the purposes of encumbering the funds in the historic preservation grant  
14    program account established in 22-3-1307 for the biennium beginning July 1, 2025, pursuant to 17-7-302. A  
15    grant recipient's entitlement to receive funds is dependent on the grant recipient's compliance with the  
16    conditions described in [section 3] and on the availability of funds.

17           (5)     The legislature, pursuant to 22-3-1305, authorizes the grants for the projects specified in  
18    subsection (2).

19           (6)     (a) Except as provided in subsection (6)(b), a grant recipient shall enter into a definitive, binding  
20    contract with a qualified contractor to construct the project prior to September 30 of the even-numbered year  
21    preceding the next regularly scheduled legislative session. If the grant recipient fails to meet the deadline, any  
22    obligation to the grant recipient ceases, and the funds revert to the historic preservation grant program account  
23    established in 22-3-1307 for use in the next biennium.

24                   (b)     A grant recipient who fails to meet the contract deadline for either of the following reasons may  
25    request one 2-year extension, during which the project must be placed under contract or any obligation to the  
26    grant ceases:

27                   (i)     the project is damaged by fire or another form of casualty; or

28                   (ii)    the grant recipient fails to find a qualified contractor to construct the project and diligently

pursued all reasonable avenues to find a qualified contractor.

(7) Grant recipients shall complete all of the conditions described in [section 3(1)] by September 30, 2026, or any obligation to the grant recipient ceases.

**NEW SECTION. Section 2. Approval of grants -- completion of biennial appropriation.** (1) The legislature, pursuant to 22-3-1305, authorizes grants for the projects specified in [section 1(2)].

(2) The authorization of these grants completes a biennial appropriation from the historic preservation grant program account established in 22-3-1307.

(3) Grants to entities from prior biennia are reauthorized for the completion of contract work.

**NEW SECTION. Section 3. Condition of grants -- disbursement of funds.** (1) The disbursement of grant funds for the projects specified in [section 1(2)] is subject to the completion of the following conditions:

(a) The grant recipient shall document that other matching funds required for the completion of the project are firmly committed.

(b) The grant recipient must have a project management plan that is approved by the department of commerce.

(c) The grant recipient must be in compliance with the auditing and reporting requirements provided for in 2-7-503 and establish a financial accounting system that the department can reasonably ensure conforms to generally accepted accounting principles. Tribal governments shall comply with the auditing and reporting requirements provided for in 2 CFR 200.

(d) The grant recipient shall satisfactorily comply with any conditions described in the application or project summaries section of the Montana historic preservation grant program 2025 biennium report to the 69th legislature.

(e) The grant recipient shall satisfy other specific requirements considered necessary by the department of commerce to accomplish the purpose of the project as evidenced by the application to the department.

(f) The grant recipient shall execute a grant agreement with the department of commerce.

(2) Recipients of Montana historic preservation grant program funds are subject to the
