HB 593 revises sexual abuse and exploitation reporting laws. This bill has no anticipated fiscal impact to the state.

FISCAL ANALYSIS

Assumptions

Department of Justice

1. Language throughout the bill addresses investigative reports requiring submission. Currently, DCI agents already complete investigative reports, so DCI would not need additional FTE to meet the requirements of the amended language.
2. This bill changes some of the existing reporting requirements for sexual assault cases. The Prosecution Services Bureau is already doing this work and anticipates an increase in expenditure based on the additional requirements.
3. This bill does not apply to the Civil Services, Appellate Services, and Office of Consumer Protection; no fiscal impact anticipated.
