2 (c) If the department makes a finding under subsection (6)(c) that there is reasonable cause to
3 believe that the community home failed to follow its policies and procedures pursuant to 53-20-305 or that the
4 policies and procedures are insufficient, the department shall attempt to resolve the complaint by conciliation in
5 a manner that, in addition to providing redress for the complaint, includes conditions that eliminate the violation

17 Unless the time period is extended as provided in subsection (2)(b), the finding must be issued within 180 days
18 after the complaint is filed.

19 (b) If the department finds that there is no reasonable cause to believe that a violation occurred or
20 that the policies and procedures are insufficient, it shall issue a notice of dismissal and dismiss the case from
21 the department's administrative process. After receipt of a notice of dismissal, a charging party may discontinue
22 the administrative process and commence proceedings in district court as provided in [section 6].

23 (c) If the department finds that there is reasonable cause to believe that a violation occurred or

(5) The department or the commission may make provisions for defraying the expenses of an indigent party in a hearing held pursuant to this chapter.
