Description of fiscal impact

HB 869, as amended, requires schools to train coaches, provide resources and response teams, and purchase automatic external defibrillators to enhance student safety and cardiac arrest response. This bill also requires the Superintendent of Public Instruction (OPI) to make available a cardiac arrest information sheet on the OPI website. HB 869 appropriates \$240,000 for the 2027 Biennium from the state general fund, 5% for OPI administration and 95% for reimbursement grants to school districts for purchase of automatic external defibrillators up to \$700 per school district.

FISCAL ANALYSIS

Assumptions

1. HB 869, as amended, is in support of prevention of cardiac arrest in youth athletes.
2. The bill creates a reimbursement grant program for costs of automatic external defibrillators to be administered by the OPI.
3. The bill adds the provision of automated external defibrillators to Section 2, 20-9-236, MCA, as an allowable improvement of school safety and security.
4. Section 3, 20-9-502, MCA, adds the purchase of automated external defibrillators as an allowable use of a school's building reserve fund.
5. Section 4 of HB 869, as amended, appropriates \$240,000 from the state general fund for the 2027 Biennium to OPI to support school districts in implementing the requirements of this bill. Five percent of the appropriation can be used by OPI to administer the program.
6. State support is to be reimbursement of \$1 for every \$1 paid by a school district up to a maximum of \$700 per district for automatic external defibrillators.
