Description of fiscal impact

SB 364 would establish an ACT regarding kill switches in electronic consumer products. There is no anticipated fiscal impact to the state.

FISCAL ANALYSIS

Assumptions

Judiciary

1. SB 364 would require an entity to get a warrant or court order to activate a kill switch on an individuals' electronic consumer product.
2. An individual whose electronic consumer product has a kill switch activated in violation of this act, may bring an action pursuant to 30-14-133, MCA.
3. This section of this legislation may increase District Court workload, but the Judicial Branch is unable to estimate the impact on judicial workload or the fiscal impact. The cumulative impact of any legislation creating new offenses may over time require additional judicial resources because court dockets are generally full throughout the state.

Department of Justice (DoJ)

4. The DoJ assumes that implementation of SB 364 could be funded within existing resources.
