### Description of fiscal impact

HB 333 revise requirements for county sheriff charges for local law enforcement services. There is no anticipated fiscal impact to the state.

### FISCAL ANALYSIS

#### Assumptions

1. HB 333 involves county and local law enforcement. Department of Justice law enforcement is not involved; therefore, no fiscal impact is anticipated.
2. If the Local Government Center at Montana State University were asked to mediate, it would charge a fee for its services.
3. Local governments who enter into contracts or interlocal agreements with another local government, may incur costs or receive revenue.

#### Effect on County or Other Local Revenues or Expenditures

1. If one local government enters into a contract or interlocal government agreement, those local governments would incur expenses and receive revenue. If the Local Government Center at Montana State University becomes involved, the local government entities would need to pay for fees charged.
