BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 40-6-701, MCA, is amended to read:

**"40-6-701. Interference with fundamental parental rights restricted -- cause of action.** (1) A

government entity may not interfere with the fundamental right of parents to direct the upbringing, education, health care, and mental health of their children unless the government entity demonstrates that the interference:

(a) furthers a compelling governmental interest; and

(b) is narrowly tailored and is the least restrictive means available for the furthering of the compelling governmental interest.

(2) All fundamental parental rights are exclusively reserved to the parent of a child without obstruction or interference by a government entity, including but not limited to the rights and responsibilities to do the following:

- 1 (a) direct the education of the child, including the right to choose public, private, religious, or home  
2 schools and the right to make reasonable choices with public schools for the education of the child;
- 3 (b) access and review all written and electronic education records relating to the child that are  
4 controlled by or in the possession of a school;
- 5 (c) direct the upbringing of the child;
- 6 (d) direct the moral or religious training of the child;
- 7 (e) make and consent to all physical and mental health care decisions for the child;
- 8 (f) access and review all health and medical records of the child;
- 9 (g) consent before a biometric scan of the child is made, shared, or stored;
- 10 (h) consent before a record of the child's blood or DNA is created, stored, or shared, unless  
11 authorized pursuant to a court order;
- 12 (i) consent before a government entity makes an audio or video recording of the child, unless the  
13 audio or video recording is made during or as part of:
- 14 (i) a court proceeding;
- 15 (ii) a law enforcement investigation;
- 16 (iii) a forensic interview in a criminal or child abuse and neglect investigation;
- 17 (iv) the security or surveillance of buildings grounds, or transportation of students; or
- 18 (v) a photo identification card;
- 19 (j) be notified promptly if an employee of a government entity suspects that abuse, neglect, or a  
20 criminal offense has been committed against the child unless the parent is suspected to have caused the  
21 abuse;
- 22 (k) opt the child out of any personal analysis, evaluation, survey, or data collection by a school  
23 district that would capture data for inclusion in the statewide data system except data that is necessary and  
24 essential for establishing a student's education record;
- 25 (l) have the child excused from school attendance for religious purposes;
- 26 (m) participate in parent-teacher associations and school organizations that are sanctioned by the  
27 board of trustees of a school district; and
- 28 (n) be notified promptly if, and provide consent before, the child would share a room or sleeping

quarters with an individual of the opposite sex on a school-sponsored trip. A child whose parent does not provide consent must be permitted to attend the trip and must be provided with reasonable accommodations that do not require the child to share a room or sleeping quarters with an individual of the opposite sex.

(3) Except for law enforcement, an employee of a government entity may not encourage or coerce a child to withhold information from the child's parent and may not withhold from a child's parent information that is relevant to the physical, emotional, or mental health of a child.

(4) This section may not be construed as invalidating the provisions of Title 41, chapter 3, or modifying the burden of proof at any stage of the proceedings under Title 41, chapter 3.

(5) When a parent's fundamental rights protected by 40-6-702, 40-6-703, 40-6-707, 41-1-402, 41-1-403, 41-1-405, and this section are violated, a parent may assert that violation as a claim or defense in an administrative or judicial proceeding and may obtain appropriate relief without regard to whether the proceeding is brought by or in the name of a government entity, a private person, or any other party. The prevailing party in an action filed pursuant to 40-6-702, 40-6-703, 40-6-707, 41-1-402, 41-1-403, 41-1-405, and this section is entitled to reasonable attorney fees and costs.

the parent's child attends an instruction or presentation that has the goal or purpose of studying, exploring, or  
informing students about gender roles or stereotypes, gender identity, gender expression, or sexual orientation;  
and  
(d) procedures by which a parent who objects to a specific instruction or presentation on the basis  
that it is harmful may withdraw the parent's child from the instruction or presentation. Objection to a specific  
instruction or presentation on the basis that it is harmful includes but is not limited to an objection to a material

(6) The attorney general, superintendent of public instruction, or county attorney for the county in which an alleged violation of this section occurs may file suit and assert a violation of this section as a claim against the school district."

1 upbringing, education, health care, and mental health of their child.

2 (4) If a child has no affirmative right of access to a particular medical or mental health procedure or  
3 service, then nothing in 40-6-701, 40-6-702, 40-6-703, 41-1-402, 41-1-403, 41-1-405, and this section may be
