For purposes of this subsection (35), "infant" means an infant less than 1 year of age or an infant 1 year of age or older who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability. The reference to less than 1 year of age may not be construed to imply that treatment should be changed or discontinued when an infant reaches 1 year of age or to affect or limit any existing protections available under state laws regarding medical neglect of children 1 year of age or older.

(36) "Youth in need of care" means a youth who has been adjudicated or determined, after a hearing, to be or to have been abused, neglected, or abandoned."
