Description of fiscal impact

SB 482 requires a written contract relating to a college athlete's student-athlete rights, including Name, Image and Likeness (NIL). This bill has no fiscal impact on the Montana University System (MUS).

FISCAL ANALYSIS

Assumptions

Commissioner of Higher Education

- Any agreements the MUS has with athletes are already in writing.
- NIL agreements are entered into by the athletes with 3rd parties which would not have a fiscal impact on the MUS Athletic Departments.
- There could be administrative duties associated with the need for additional contracts, but the MUS assumes the impact would be minimal.
