Description of fiscal impact

HB 86 revises statutes that relate to licensed distributors of beer, table wine, and sacramental wine. During the 2023 legislative session, House Bill 127 passed creating a combined beer wholesaler and table wine distributor license; and removed those respective individual licenses. HB 86 revises and reorganizes several areas of code to speak to the new combined license type. It is not anticipated that HB 86 will have a fiscal impact to Department of Revenue.

FISCAL ANALYSIS

Assumptions

- HB 86 provides clarification regarding the combined beer wholesaler and table wine distributor licenses, including the \$400 license fee currently paid by distributors. There is no change to existing fees or revenue streams to the State of Montana.
