HR0001 01. Create a fire department health and safety grant program

Description of fiscal impact

HB 901 creates and provides a statutory appropriation for a fire department health and safety grant account to be managed by the Disaster and Emergency Services (DES) Division in the Department of Military Affairs (DMA).

FISCAL ANALYSIS

Assumptions

Department of Military Affairs

- 1. HB 901 creates and statutorily appropriates a fire department health and safety grant account to be managed by the Disaster and Emergency Services (DES) division in the Department of Military Affairs (DMA).
- 2. DES estimates money received for this account would be no greater than \$50,000 a year; resulting in an estimated five grants per year.
- 3. DES assumes this will be an annual application period and distribution cycle towards the end of each state fiscal year.
- 4. DES assumes 1% for administrative costs to administer this grant program is sufficient for up to five grants and \$50,000.
- 5. If money received far exceeds the expected amounts, additional administrative costs may be necessary.
