#### FISCAL ANALYSIS

## **Assumptions**

1. There is no fiscal impact to the state.

# **Effect on County or Other Local Revenues or Expenditures MACO**

- 1. HB 486 broadens the pay range for deputy sheriffs. While the range will have a higher upper end, it does not automatically increase any deputy's pay. However, to the extent that a local sheriff chooses to increase deputy pay, the costs would be the responsibility the county.
- 2. Pension contributions would also increase for those that elect to increase pay.
- 3. A portion of the pension benefit would be levied in property taxes.
