Net Impact General Fund Balance	\$0	\$0	\$0	\$0
Description of fiscal impact				

SB 441 creates a block management enforcement network for landowners enrolled in block management.

FISCAL ANALYSIS

Assumptions

Department of Fish, Wildlife, and Parks

1. SB 441 creates the Montana Block Management Enforcement Network. This would be an opt-in program which will assist landowners enrolled in block management with enforcing compliance by hunters. Any additional workload created would be minor and can be covered by existing department resources.
