EXPLANATION: This amendment adjusts the Senior and Long-Term Care caseload to match the Legislative Fiscal Division estimate and removes the language restricting the Medicaid budget in Senior and Long-Term Care to this division. This lowers the budget by \$1,798,139 general fund and \$2,847,169 federal special revenue funds in FY 2026. In FY 2027, this amendment lowers the budget by \$2,233,649 general fund and \$3,242,045 federal special revenue funds. This adjustment affects both traditional Medicaid and Medicaid expansion caseload.
