Description of fiscal impact

SB 296 "Alan's Law" establishes enhanced penalties for a person employed or volunteering at a caregiving facility who is found guilty of an offense against a vulnerable person in that facility. SB 296 adds an additional penalty of a prison term of no less than one year and no more than 10 years, except as provided in 46-18-222, MCA, to run consecutively to the sentence provided for the offense. SB 296 will have a fiscal impact on the Department of Corrections (DoC) and the Office of Public Defender (OPD) as the mandatory minimum of one year cannot be deferred or suspended.

FISCAL ANALYSIS

Assumptions

Department of Corrections (DoC)

- 1. SB 296 "Alan's Law" adds additional penalties to crimes committed by a person employed or volunteering at a caregiving facility who is found guilty of an offense against a vulnerable person in that facility. SB 296 will have a fiscal impact on the DoC as the mandatory minimum of one year cannot be deferred or suspended and it is to run consecutive with the sentence provided for the offense.
- 2. The DoC assumes that there will be one new conviction per year under "Alan's Law" and the sentence will last at least four years.
- 3. Assuming a start date of July 1, 2025, in FY 2026 the total cost would be \$33,580 (\$92/day x 365 days x 1 offender) and in FY 2027 it would be \$67,160 (\$92/day x 365 days x 2 offenders). Assuming an inflationary factor of 1.5%, the cost in FY 2028 would be \$102,251 and in FY 2029 would be \$138,350.

Department of Public Health and Human Services

4. SB 296, known as Alan's Law, establishes enhanced penalties for individuals convicted of offenses against vulnerable persons in caregiving facilities. As the sentencing of individuals for criminal offenses does not directly impact departmental operations, there is no anticipated fiscal impact.

Office of Public Defender (OPD)

Fiscal Note Request - As Amended in House Committee

(continued)

- 5. Relying upon the Department of Corrections assumption of one additional new felony conviction per year, OPD assumes SB 296 would result in OPD's appointment to at least one additional felony charge per year, assumed to be defended by a contract attorney.
- 6. OPD assumes the total impact of SB 296 would be \$2,535: 1 additional felony times 26 hours times \$97.50 per hour.
- 7. OPD assumes inflation of 1.5% in FY 2028 and in FY 2029.
